INTRODUCTION

Multicultural education resources listed in this bibliography were selected and organized to reflect the interdisciplinary and cross-cultural format utilized in the development of THE CULTURAL EXCHANGE curriculum for students in grades 4-12. Materials have been evaluated in an attempt to provide a well-balanced collection which represents the multidimensional perspectives of our culturally diverse American society. Criteria for selection included recommendations from ethnic consultants, use of the California Dept. of Education's *Guide to the Analysis of Curriculum Materials for Ethnic Heritage Programs* and reviews of literature from the Council on Interracial Books for Children among other sources (See Appendix A).

Materials listed are located at the Humboldt Educational Resource Center, a county facility designed to support teachers and administrators in their instructional program needs. The HERC professional staff facilitates use of both print and non-print materials through three separate but complementary services: the Film Center, Library and Teacher Center. Most of THE CULTURAL EXCHANGE materials listed are housed in the Teacher Center unless otherwise indicated (Lib. follows those books in the HERC Library). A courier service circulates films, equipment, books and curriculum materials on a regular weekly schedule. Orders for specific materials may be called in by teachers in participating districts throughout the county.

MULTICULTURAL EDUCATION RESOURCES also serves as a selected listing of materials for teachers and resource specialists to use in evaluating their own school's holdings and in making recommendations for possible purchase where desired. In some cases the citations in this guide include prices which are, of course, subject to increase. Lists of publishers' and producers' addresses are located in the appendices for your convenience. For further information, or to arrange to preview any of the multicultural materials in the HERC collection, we welcome you to call THE CULTURAL EXCHANGE staff at extension 318.
